Certification

To help you drive the most value from certification opportunities, SAP offers multi-tiered certification paths for specific subjects. The Search Catalogue box above has been pre-filtered for certification exams, to make it easier for you to find the Certification you need.

SAP Training And Certification Pvt Ltd

Associate certification - This certification covers the fundamental knowledge requirements for an SAP consultant, ensuring the successful acquisition of broad SAP solution knowledge and skills. With associate-level certification, you can:

Gain an externally-recognized mark of excellence that clients seek

Differentiate yourself in a crowded marketplace

Execute your tasks with confidence and skill

An Associate Exam usually consists of 80 Multiple Choice, Multiple response and Matching (pull-down) questions and answers. Candidates have a maximum of 3 hours to complete.

Delta certification – For some parts of the portfolio, SAP offers Delta exams to ensure that SAP certified Consultants are up-to-date with their skills and

SAP Training And Certification Pvt Ltd

knowledge. You are eligible to take a Delta exam when you pass the prerequisite Associate exam for a specific solution.

A Delta certification exam consists of 40 Multiple Choice, Multiple response, Matching (pull-down) questions and answers and takes 90 minutes.

Specialist certification - This certification is in addition to an Associate certification and focuses on a specific role or integration component.

A Specialist certification exam consist of 40 Multiple choice, Multiple response and Matching (pull-down) questions and answers and takes 90 minutes. An Associate certification exam is a required prerequisite for taking the Specialist exam.

SAP Training And Certification Pvt Ltd

Professional certification - This advanced certification requires proven project experience, business process knowledge, and a more detailed understanding of SAP solutions. With professional-level certification, you can:

Demonstrate both your experience and your expertise through a rigorous testing process

Promote a more globally applicable accreditation with higher billable rates

Lead as well as execute tasks and engagements

A Professional certification exam consists of 80 Multiple Choice, Multiple response, Matching (pull-down) and scenario based questions and answers. Candidates have a maximum of 3 hours to complete.

No matter what level of certification you engage, SAP certification delivers value to individuals and organizations seeking the mark of excellence you need to be competitive in today's marketplace
